GHOST STORIES

GHOST STORIES

Algunas historias no se escriben con palabras,
sino con silencios, memorias y canciones que
sobrevuelan el alma.

Always in My Head

I think of you
I haven't slept
I think I do
But I don't forget
My body moves
Goes where I will
But though I try my
heart stays still

It never moves
Just won't be left
So my mouth
waters, to be fed

And you're always
in my head
You're always in my head
You're always in my head
You're always in my head

You're always in my head
Always in my...
You're always in my...

This, I guess, is to tell you you're
chosen out from the rest

Magic

Call it magic
Call it true
I call it magic
When I'm with you
And I just got broken
Broken into two
Still I call it magic
When I'm next to you
And I don't, and I
don't, and I don't,
and I don't
No, I don't, it's true
No, I don't, no, I don't,
no, I don't, no, I don't
Want anybody
else but you
No, I don't, no, I don't,
no, I don't, no, I don't
No, I don't, it's true

No, I don't, no, I
don't, no, I don't, no, I don't
Want anybody else but you
Ooh-ooh, ooh, ooh
Call it magic
Cut me into two
And with all your magic
I disappear from view
And I can't get over
Can't get over you
Still I call it magic
Such a precious jewel
And I don't, and I don't, and I don't, and I don't

No, I don't, it's true
No, I don't, no, I don't, no, I don't
Want anybody else but you
No, I don't, no, I don't, no, I don't, no, I don't
No, I don't, it's true
No, I don't, no, I don't, no, I don't, no, I don't
Want anybody else but you

Wanna fall

Fall so far

I wanna fall

Fall so hard

And I call it magic

And I call it true

I call it ma-

ma-ma-magic

Ooh-ooh,

Ooh-ooh,

Ooh-ooh,

Ooh-ooh

Ooh-ooh, ooh, ooh

Ooh-ooh, ooh, ooh

And if you were

to ask me

After all that we've

been through

"Still believe in magic?"

Oh, yes, I do

Oh, yes, I do

Oh, yes, I do

Oh, yes, I do

Of course, I do

Ink

Got a tattoo said 'together thru life'
Carved in your name with my pocket knife
And you wonder when you wake up
will it be alright
Feels like there's some-
thing broken inside

All I know

All I know

Is that I'm lost

Whenever you go

All I know

Is that I love

you so

So much

that it hurts

Got a tattoo and

the pain's alright

Just want a way of

keeping you inside

All I know

All I know

Is that I'm lost

In your fire below

All I know

Is that I love you so

So much that it hurts

I see the road begin to climb

I see your stars begin to shine

I see your colours and I'm dying of thirst

All I know
Is that I love you so
So much that it hurts

True Love

For a second I was in control
I had it once I lost it though
And all along the fire below would rise
And I wish you could have let me know
What's really going on below
I've lost you now,
you let me go
But one last time

Tell me you love me
If you don't then lie
Oh lie to me

Remember
once upon
a time
When I was yours
and you were blind
A fire would sparkle
in your eyes
And mine

So tell me you love me
If you don't then lie
Oh lie to me
Just tell me you love me

If you don't then lie
Oh lie to me
If you don't then lie
Oh lie to me

Call it true, call it true love
Call it true, call it true love

Midnight

In the darkness before the dawn

In the swirling of the storm
When I'm rolling with the
punches and hope is gone
Leave a light a light on

Millions of miles
from home
In the swirling
swimming on
When I'm
rolling with
the thunder
But bleed
from thorns
Leave a light
a light on
Leave a light a light on

In the darkness
before the dawn
In the dark-
ness before the dawn

Leave a light a light on
Leave a light a light on

Another's arms another's arms
When the world means nothing to

Another's Arms

Late night watching TV
Used to be you here
beside me

Used to be your arms
around me

Your body on my
body me

Another's arms
another's arms

When the pain
just rips right
through me

Another's arms
another's arms

Late night
watching TV
Used to be you
here beside me
Is there someone
there to reach me?

Or someone there to find me?

When the pain just rips right through me
Another's arms another's arms
And that's just torture to me
Another's arms another's arms
Pull yourself into me

Oceans

Wait for your call love
The call never came
Ready to fall up
Ready to claim
And I'm ready for
it all love
Ready for the pain
Meet under sun and
Meet me again
In the rain
In the rain

Behind the
walls love
I'm trying to change
And I'm ready
for it all love
I'm ready for the change
Meet me in blue sky
Meet me again
In the rain, the rain, the rain

Got to find yourself alone in this world
To find yourself alone
Wait for your call love
The call never came
Ready to fall up
Ready to claim

And I'm ready for it all love
Ready for the pain
Meet under sun and
Meet me again
In the rain
In the rain

A Sky Full of Stars

Cause you're a sky cause
you're a sky full of stars

I'm gonna give you my heart
Cause you're a sky cause
you're a sky full of stars
Cause you light up the path

And I don't care go on
and tear me apart
And I don't care
if you do
Cause in a sky
cause in a sky
full of stars
I think I saw you

Cause you're a
sky cause you're
a sky full of stars
I want to die in your arms
Cause you get lighter
the more it gets dark
I'm gonna give you my heart

And I don't care go on and tear me apart
And I don't care if you do
Cause in a sky cause in a sky full of stars
I think I see you
I think I see you

Cause in a sky cause in a sky full of stars
I think I see you
I think I see you

Cause you're a sky you're a sky full of stars
Such a heavenly view
You're such a heavenly view

O (Fly On)

Flock of birds
Hovering above
Just a flock
of birds
That's how you
think of love

And I always
look up to the sky
Pray before
the dawn
Cause they fly always
Sometimes they arrive
Sometimes they are gone
Fly on
Flock of birds

Hovering above

Into smoke I'm turned and
rise, following them up
Still I always look up to the sky
Pray before the dawn
Cause they fly away
One minute they arrive
Next you know they're gone
Fly on

Fly on, ride through
Maybe one day I'll fly next to you
Fly on, ride through
Maybe one day I can fly with you
Fly on
